

## KEIPER do Brasil Ltda. – São José dos Pinhais/Curitiba, Brazil

Since August 2004, front and rear seat structures for the new VW Fox Europe are being assembled in the KEIPER production plant in the Brazilian city of São José dos Pinhais at Curitiba. The plant with 75,348 square feet is located one hour away by plane from São Paulo.

### From Afonso Pena International Airport:

- From the airport terminal take Av. Rocha Pombo
- Continue on this road for about five kilometers
- After having passed Rua Barão do Cerro Azul take the access on the right to the industrial area where the KEIPER plant is situated
